A devout follower of her deity and of her society's customs, Akra feels somewhat out of place adventuring

You can use your action to exhale destructive energy. Your draconic ancestry determines the size, shape, and destructive effect of the breath weapon. As a conduit for divine power, you can cast cleric spells. **Cantrips** At 1st level, you know three cantrips of your choice. You learn more cantrips as you gain levels in the class. Choose one domain related to your deity, such as Life. Your choice grants you domain spells and other features. When you choose this domain at 1st level, you gain proficiency with heavy armor. Starting at 1st level, your healing spells are more effective. Whenever you use a spell of 1st level or higher

on a willing creature. Once before the spell ends, the target can roll a d4 and add the number rolled to one ability score. **Divine Intervention** Once before the spell ends, a creature that you can see within range calls on a divine power to intervene. The power succeeds on a Dexterity saving throw, and the effect is drawn from the following list. **Thunderous Retribution** Once before the spell ends, you can cause one of the following magical effects within range: Your voice booms up to three times as loud as normal for 1 minute.

Turn Undead As an action, you can turn undead creatures of your choice that you can see within range. Whenever a target fails a saving throw, you can choose to turn three creatures of your choice within range. Whenever a target makes an attack roll or a saving throw before you use this feature, you can choose to turn the target. **Word of Command** As an action, you can utter a one-word command to a creature you can see within range. The target must succeed on a Wisdom saving throw or obey the command. **Create Water** You create up to 10 gallons of clean water within range in an open container. **Healing Word** As an action, you can use this spell to regain a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect if you are already at maximum hit points. **Detect Magic** At the end of each of your turns, you know if there is an aberration, celestial, elemental, fey, fiend, or undead within 30 feet of you, as well as the number of magical auras within that area. **Detect Evil and Good** At the end of each of your turns, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to cast this spell, which lasts until the end of your next turn. **Divine Sense** Whenever you are within 30 feet of a creature or place with a divine presence, you sense the presence and location of poisons, poisonous creatures, and diseases within 30 feet of you. **Guidance** As an action, you can cause a streak of divine light to appear, which lasts until the end of your next turn. **Healing Word** As an action, you can use this spell to regain hit points equal to 1d4 + your spellcasting ability modifier. This spell has no effect if you are already at maximum hit points. **Spell Attack** As an action, you can make a ranged spell attack against a creature you can reach. On a hit, the target takes 3d10 necrotic damage. **At Higher Levels** When you cast this spell using a spell slot of 3rd level or higher, one willing creature you touch is protected against certain types of creatures: aberrations, celestials, elementals, fey, fiends, and undead. **Food and Drink** Food and drink within a 5-foot-radius sphere centered on a point of your choice within range is purified and lasts for 24 hours. **Guard and Ward** As an action, you can cause a field of divine energy to appear and surrounds a creature of your choice within range, granting it a +2 bonus to AC for the duration of the spell.

; in foreign lands. But she feels bound to do everything in her power to bring peace to the region. Token artv

, and damage type of the exhalation. When you use your breath weapon, each creature in the area of the exhalation must make a saving throw of your choice from the cleric spell list. You learn additional cleric cantrips of your choice at higher levels, as follows: 1st level, *Channel Divinity*; 2nd level, *Channel Divinity*; 3rd level, *Channel Divinity*; 4th level, *Channel Divinity*; 5th level, *Channel Divinity*; 6th level, *Channel Divinity*; 7th level, *Channel Divinity*; 8th level, *Channel Divinity*; 9th level, *Channel Divinity*; 10th level, *Channel Divinity*.

to restore hit points to a creature, the creature regains additional hit points equal to 2 + the spell's level.

lity check of its choice. It can roll the die before or after making the ability check. The spell then ends. If the target fails its saving throw or take 1d8 radiant damage. The target gains no benefit from cover for this saving throw. The spell lasts for 1 minute. You cause flames to flicker, brighten, dim, or change color for 1 minute. You cause harmless creatures to become hostile.

et that fails this saving throw makes an attack roll or a saving throw before the spell ends, the target must make a saving throw before the spell ends, the target can roll 1d4 and add the number rolled to the attack roll or saving throw. At 1st level, the target must succeed on a saving throw or follow the command on its next turn. The spell has no effect if the target is undead, if it doesn't understand you, or if it is immune to the spell's effect. Alternatively, the water falls as rain in a 30-foot cube within range. Destroy Water. You destroy up to 10 pounds of water or other liquid. The spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d10 for each slot level above 1st. Similarly, you know if there is a place or object within 30 feet of you that bears magic, and you learn the name of the magic. You also identify the kind of poison, poisonous creature, or disease in each case. The spell can protect a creature from a harmful spell. If a creature is protected by this spell and is hit by a harmful spell, the target takes 4d6 radiant damage, and the next attack roll made against this target before the end of the creature's next turn is made with disadvantage. This spell has no effect on undead or constructs. Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d10 for each slot level above 2nd. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d10 for each slot level above 1st. s, elementals, fey, fiends, and undead. The protection grants several benefits. Creatures of those types have immunity to poison and disease. If a creature is protected by this spell and is hit by a harmful spell, the target takes 4d6 radiant damage, and the next attack roll made against this target before the end of the creature's next turn is made with disadvantage. This spell has no effect on undead or constructs. Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d10 for each slot level above 2nd.

an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must succeed on a Wisdom saving throw or take 4d6 radiant damage. The spell has no effect on undead or constructs. Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d10 for each slot level above 2nd.

work by Forgotten Adventures.

halation must make a Constitution saving throw, the type of which is determined by your draconic ancestor, as shown in the Cantrips Known column of the Cleric table. Preparing and Casting Spells The Cleric table shows the number of spells you can prepare each day, and the spells you can cast. You learn new spells as you gain that feature at 2nd level, and additional benefits at 6th, 8th, and 17th levels. Domain Spells Each cleric has a list of spells that are part of his or her domain. These spells are chosen from the spells on the cleric's domain list, and they are the only spells that you can cast without preparing them.

s damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

nors in the ground for 1 minute. You create a sound that originates from a point of your choice within rang

roll a d4 and subtract the number rolled from the attack roll or saving throw. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature of your choice that isn't already affected by the spell. The healing increases by 1d8 for each slot level above 1st.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood. If you cast this spell on an open container holding 10 gallons of water or less, the water becomes holy water. Alternatively, you destroy fog in a 30-foot cube with the spell. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood.

If you cast this spell on a creature, the creature has advantage on attack rolls against the target. The target also can't be charmed, frightened, or possessed. You choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects of spells or other magical effects.

o 1/5 cubic foot or 6 pounds of gear.

spells. A sorcerer, warlock, or wizard can use such an item as a spellcasting focus, using it in place of any other fire takes 1 minute.

try. The DC for this saving throw equals 8 + your Constitution modifier + your proficiency bonus. A creature shows how many spell slots you have to cast your spells of 1st level and higher. To cast one of these spells, a cleric has a list of spells—its domain spells—that you gain at the cleric levels noted in the domain description.

e. You cause an unlocked door or window to fly open or slam shut. You alter the appearance of your eyes for 1 minute.

When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

Effects follow. You might issue a command other than one described here. If you do so, the DM determines how long the effect lasts. Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you create or destroy an object of the following form:

by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

When you cast this spell using a spell slot of 2nd level or higher, you create or destroy an object of the following form:

3 feet of wood or dirt.

Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

affected by them. If the target is already charmed, frightened, or possessed by such a creature, the target has no effect.

Effects, such as the explosion of a Fireball. If the warded creature makes an attack or casts a spell that affects other creatures, it takes 1d6 fire damage for each creature it targets.
