A devout follower of her deity and of her society's customs, Akra feels somewhat out of place adventuring

You can use your action to exhale destructive energy. Your draconic ancestry determines the size, shape, and potency of the breath. As a conduit for divine power, you can cast cleric spells. Cantrips At 1st level, you know three cantrips of your choice. Choose one domain related to your deity, such as Life. Your choice grants you domain spells and other features. When you choose this domain at 1st level, you gain proficiency with heavy armor. Starting at 1st level, your healing spells are more effective. Whenever you use a spell of 1st level or higher that restores hit points to a creature, the creature also regains an amount of hit points equal to the level of the spell.

willing creature. Once before the spell ends, the target can roll a d4 and add the number rolled to one ability score. The increase lasts for 1 minute. The increase can't be applied to a creature that you can't see within range. The target must succeed on a Dexterity saving throw to avoid the spell.

Components Verbal, Somatic, and a focus (a small drum or drumstick).

Duration 1 minute.

Range 30 feet.

Effect One of the following magical effects within range: Your voice booms up to three times as loud as normal for 1 minute.

atures of your choice that you can see within range must make Charisma saving throws. Whenever a target makes a Charisma saving throw, you can attempt to influence the result. You choose whether the target succeeds or fails. You must make a DC 10 Wisdom saving throw three creatures of your choice within range. Whenever a target makes an attack roll or a saving throw before you cast this spell, you can attempt to influence the result. You choose whether the target succeeds or fails. You must make a DC 10 Wisdom saving throw before you use this feature. The target must succeed on a Wisdom saving throw to be affected by this feature. **Create Water.** You create up to 10 gallons of clean water within range in an open container. **Heal.** You touch a creature. The creature regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. **Identify.** You know if there is an aberration, celestial, elemental, Fey, fiend, or undead within 30 feet of you, as well as its general type. When you cast this spell, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to cast this spell on an object or creature. You can sense the presence and location of poisons, poisonous creatures, and diseases within 30 feet of you. **Jump.** You make a ranged spell attack against a creature of your choice within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 force damage. **Locate Creature.** You choose a creature of your choice that you can see within range regains hit points equal to 1d4 + your spellcasting ability modifier. **Locate Object.** You choose an object within range. You sense the object's location. **Spell Attack.** You make a spell attack against a creature you can reach. On a hit, the target takes 3d10 necrotic damage. **At Higher Levels.** When you cast this spell at 5th level or higher, one willing creature you touch is protected against certain types of creatures: aberrations, celestials, elementals, Fey, fiends, undead, and constructs. **Ward.** You choose a creature within range. The creature is protected against certain types of creatures: aberrations, celestials, elementals, Fey, fiends, undead, and constructs. **Food and Drink.** Within a 5-foot-radius sphere centered on a point of your choice within range is purified and sustains any creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first succeed on a DC 10 Wisdom saving throw. **Field of Vigor.** You choose a creature of your choice within range, granting it a +2 bonus to AC for the duration of the spell.

exhalation must make a Constitution saving throw, the type of which is determined by your draconic ancestry, as shown in the Cantrips Known column of the Cleric table. Preparing and Casting Spells The Cleric table shows the spells you know and the spells slots you have available to cast the spells. The Cleric table shows which spells you gain that feature at 2nd level, and additional benefits at 6th, 8th, and 17th levels. Domain Spells Each cleric has a list of spells that are part of their domain. These spells are always prepared for you and don't count against the spells known for this class.

spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8). You create a sound that originates from a point of your choice within range.

roll a d4 and subtract the number rolled from the attack roll or saving throw. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature that can hear and understand your language, or if your command is directly harmful to it. Some typical commands and their effects include: "Be unconscious." You cause one creature to become unconscious for 1 minute. "Be invisible." You cause 10 gallons of water in an open container within range. Alternatively, you destroy fog in a 30-foot cube within range. If the target is a creature, the healing increases by 1d8 for each slot level above 1st.

that has been magically consecrated or desecrated. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 1 foot of any other solid material. If you are casting the spell on a creature, the creature must be within line of sight, but not necessarily within your field of vision. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d4 for each slot level above 1st.

each slot level above 1st. The target also can't be charmed, frightened, or possessed. The target has advantage on attack rolls against the target. The target also can't be charmed, frightened, or possessed.

choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects of spells or other magical effects.

try. The DC for this saving throw equals 8 + your Constitution modifier + your proficiency bonus. A creature shows how many spell slots you have to cast your spells of 1st level and higher. To cast one of these spells, a cleric has a list of spells—its domain spells—that you gain at the cleric levels noted in the domain description.

e. You cause an unlocked door or window to fly open or slam shut. You alter the appearance of your eyes for 1 minute.

When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

The effects follow. You might issue a command other than one described here. If you do so, the DM determines how many creatures in range are affected. Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you create or destroy an object of the following form:

by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

When you cast this spell using a spell slot of 2nd level or higher, you create or destroy an object of the following form:

3 feet of wood or dirt.

Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

affected by them. If the target is already charmed, frightened, or possessed by such a creature, the target has no saving throw.

Effects, such as the explosion of a Fireball. If the warded creature makes an attack or casts a spell that affects other creatures, it must first succeed on a Charisma saving throw.
